**MOTION FOR LEAVE TO WITHDRAW AND DISMISS PETITION**

On February 6, 2002, Northern Paul Bunyan Radio Company (hereinafter "NPB"), filed a Petition for Rulemaking (RM-10418) requesting allotment of FM Channel 226A to Harrisville, Michigan, which was subsequently published in a Notice of Proposed Rulemaking ("Notice") and released on May 17, 2002. In response to that Notice, Comments in support of the request were filed by NPB and a Counterproposal was also filed by Northern Michigan Radio, Inc., licensee of radio station WBYC-FM, ("WBYC") currently licensed to Atlanta, Michigan.

NPB has now determined that it does not wish to proceed with prosecution of its petition for channel 226A in Harrisville and hereby requests leave to withdraw and dismiss that petition. It is noted here that NPB was the sole proponent of adding a new channel to Harrisville and that with NPB's withdrawal, there

is no further interest remaining in this docket in such an allocation upon dismissal of the NPB petition. 1/

In compliance with 47 CFR 1.420(j) there is attached hereto a Declaration by NPB certifying that neither it nor its principal has received, or will receive, any money or other consideration in connection with its withdrawal from this proceeding.

Wherefore, it is respectfully requested that this Motion be granted and that the petition RM-10418 by NPB for a new FM channel in Harrisville, Michigan be dismissed.

Respectfully Submitted,

1/ It is further recognized here that WBYC had proposed an equivalent alternate channel to replace the one originally proposed by NPB but had expressed no independent interest or commitment of its own in either the original or alternate channel for Harrisville.
